**SOURCE**

1. The present production of the Skoda Works Komarno shipyard, where about 7,000 workers are employed, consists of building hospital ships for the Soviet Union. Also the interior equipment of these ships, including the equipment for the sick or wounded, is being completed in the shipyard.
2. Construction of gunboats is planned for the next production program of the Komarno shipyard. No further details about these gunboats and their destination are known to Source.
